

who are we?

Art House Deco is a custom interior design firm dedicated to providing thoughtful and original design solutions to satisfy the unique sensibilities of our diverse clientele. We draw upon our expertise and experience to gracefully bring to life the visions our clients in a variety of styles. Be it the rich beauty of Old World traditional design, or the cool sophistication of modern décor, the integrity of each client's aesthetic is preserved as we interpret and reflect individual vision into an idealized environment marked by its intelligent and personal design.

the foundation

Art House Deco is built on the foundations of experience and talent embodied in its partners, Anna Wasilewska and Gregory Kutyla. With Master of Fine Arts Degrees in Interior and Architectural Design and years of practical experience, these two visionary designers have developed a reputation for innovation and unparalleled work quality evident in every Art House Deco creation.

the success

The success of each project undertaken by Art House Deco is measured by the satisfaction of our clientele. Our devotion to our customers and our personal approach to design enables us to consistently exceed expectations in every facet of our work. This is demonstrated in the strong relationships we've built with our customers. **Over 90% of new contracts reflect direct referrals,** and the majority of past customers, inspired by our designs, invite us back for new projects.

the goal

The goal of Art House Deco is to harmoniously bring together a variety of design elements to create the perfect environment for our clients. We feel that the successful achievement of this goal is exemplified in the extraordinary designs, some of which you can see in this brochure. Please enjoy your journey through the Art House Deco website at www.ahdeco.com, as you peruse the unique creations born from our original approach to interior design.
